**Re: *Rene Tellier v. United States, 19-cv-11262 (AJN), 92-cr-869 (AJN)***

Dear Judge Nathan:

On December 9, 2019, Rene Tellier filed a *pro se* petition pursuant to 28 U.S.C. § 2255. On June 9, 2020, Mr. Tellier amended that petition, and on June 25, 2020, the Court appointed me from the CJA panel to represent Mr. Tellier for purposes of his §2255 petition. The Court also issued a briefing schedule for additional submissions, which it agreed to extend earlier this month. Currently, my memorandum is due on September 4, 2020. I write now, with the consent of the government, to seek an additional extension for the filing of the memorandum of law I intend to submit in support of Mr. Tellier's petition.

During the last several weeks I have been working with the Probation Department and the government to try to obtain access to the files from this case, which dates to 1992. Most importantly, for purposes of the brief, I need a copy of the PSR. I have been informed by the Probation Department that it has recently retrieved its file from archives and will be able to go through it and (hopefully) send me the PSR shortly. To date, however, I have not yet received it. In light of these delays, I respectfully request an additional extension of 2 weeks in order to file my memorandum, with similar extensions for the government's response and any reply.

Thank you for your consideration.

Respectfully submitted,

/s/
